## MCWS Outreach

The past few months have been busy for MCWS Outreach. Alhamdulillah we successfully hosted numerous events including Seniors dinners ,various meetups with our interfaith community friends and we concluded 2019 with a successful blood drive in partnership with the Versiti Center of Michigan. The blood drive drew both young and old to roll up their sleeves and donate blood .

We appreciate all the amazing community members who took the time and donated .

Another program which is gaining interest in the community is our “Coffee Hour” held every second Sunday of the month for converts and people new to the community. Attendees enjoy good company and warm conversation.

By the grace of Allah SWT, MCWS has successfully embarked on the journey towards becoming a Green Masjid. Over the past few months, we have launched our Mug Initiative at the Angels Circle, where our attendees use mugs for tea instead of disposable cups. We also ask our attendees to bring their own mugs and reusable water bottles when possible. Alhamdulillah, we have successfully been able to cut down our disposable cup usage by more than 50 percent just at Angels Circle alone. We want to thank the community for their continued efforts and hope that we can introduce other green initiatives in the upcoming months. Stay tuned for more !!

If you have any suggestions or would like to join the Outreach Team please email us at [Khadija.peracha@mcws.org](mailto:Khadija.peracha@mcws.org)

# 100 @ 100 CAMPAIGN

**Help establish and secure the Medina Activity Center by pledging \$100 a month. Please click the support tab at [www.mcws.org](http://www.mcws.org) to help.**

We need your support in building the new mactaba, a community library project! The new library, to be located in the new Medina Activity Center, will be approximately 1,380 sq ft and will cater to the many different needs of the community. Every little bit helps to provide an amazing space where all are welcome to learn and develop.

Our minimum goal is \$35,000 to make the library functional. Contributions exceeding the minimum goal will help with operational costs, sponsoring activities, and taking our library to another level.

The love for knowledge among the members of our community is awe inspiring, to continue to nurture and develop that love, we are working on creating this amazing new space that will serve all ages by providing a kid's zone, a flex space, a lounge, and aisles of books to keep every reader engaged and interested.

The **Kid's Zone** is a warm welcome space for younger kids to hang out while reading from the collection of thousands of children's books. Additionally, it will be a space for story time as well as for playing with board games from the library's collection.

We need your help to kick off MCWS's new library project! The new library, to be located in the new Medina Activity Center, will be approximately 1,380 sq ft and will cater to the many different needs of the community. Every little bit helps to provide an amazing space where all are welcome to learn and develop.

Our minimum goal is \$35,000 to make the library functional. Contributions exceeding the minimum goal will help with operational costs, sponsoring activities, and taking our library to another level.

The love for knowledge among the members of our community is awe inspiring, to continue to nurture and develop that love, we are working on creating this amazing new space that will serve all ages by providing a kid's zone, a flex space, a lounge, and aisles of books to keep every reader engaged and interested.

The **Flex Space** will be occupied by 6 desks with removable partitions providing patrons a space for individual or group study. The overhead projector allows for easy group instruction of educational classes. Crafting classes, including crochet, knitting, Eid decorations, and others will also be hosted in the Flex Space.

## New Library @ Medina Activity Center

**Main Bookshelves:** a combination of low and tall bookshelves provide ample space for a variety of books ranging from Islamic content to technology and coding. For safety purposes, the lower shelves ensure the librarian has a clear line of sight across the entire library while also having a lower center of gravity for stability. Comfy seating between the aisles invites readers to sit and browse the libraries abundant collection.

The **Library Lounge** provides plenty of space, with over 250 sq ft of relaxing seating, it's the perfect spot for hosting book clubs, book signings, or even just a casual space for people to hang out and read while their family members are utilizing the many services provided at the library.

The **Book Shop** comprised of 4 bookshelves with glass doors will contain various books, workbooks, educational games, and other related items available for sale by the library. Sale of these items will help support ongoing library expenses.

### How You Can Help

What we ask from all you book loving people is your support! We are launching this campaign to help cover costs of minor renovations including painting walls, small repairs, and some needed electrical work. Additionally, we need to furnish this beautiful space and fill those shelves with books, educational games, and crafting supplies. The goal is to give this space back to our amazing community that deserves a welcome, dedicated space for learning and collaborating.

Once the library is built out, we will be running a book drive asking you all to bring your gently loved books and board games to share with everyone!

## Youth Committee

The MCWS girls youth committee has had some amazing events and programs recently which include their trip to the Plymouth cider mill, ping pong with a twist, Sunday halaqas with Sr Amber Khan, Sunnah Saturday for high school girls, and so many more. Additionally, thanks to some wonderful community and youth donors, recently the girls renovated the new girls lounge in the MAC building. The new space serves as a safe and comfortable environment for high school and college girls to come and benefit from halaqas, attend events, study, and bond with their fellow sisters in Islam.

The Brothers have similarly been running some beautiful events and utilizing their new youth space. Friday evening gatherings, movie nights, games, and halaqas are being run out of our new space often. Thanks to those wonderful donors our boys have also been hard at work renovating their new space and building a safe and comfortable environment. It is astounding how much a safe space helps our young brothers feel accommodated for in our community. They light up when they come to spend time there every week and look forward to Friday because of it. We hope to continue to use our spaces to bring our youth closer to the Masjid and utilize the spaces as platforms for Islamic learning and growth. Please support our new building and all the wonderful initiatives in any way you can!
